Notes: We know how incredibly important your child's education is to you and we feel the same!! If you have any PE equipment that you would like to donate to ensure that our PE teacher has adequate equipment to work with, our school would greatly appreciate it and put it to use!

Additionally, I know that shoes are not on this list. HOWEVER, **sneakers** are so incredibly important to the safety of our students during Physical Education. Please, have at least one pair that your student may use during their PE time. They may wear any other type of shoes throughout the rest of the day.
